VARAVELA Creation Co.Ltd

Event Staff

เมษายน 2016 - ธันวาคม 2016 (9 เดือน)

Bangkok Metropolitan Area, Thailand

Part-time Jobs at VARAVELA Garden Hall

I only have part-time here when there are events like wedding and magazine shoot, about two times a month that I will have a job there. My part is to help coordinate with organizer team about the program and place of arrangement

on the event day but my main part is to work at AV or light and sound system of the hall. The job was offered by a professor at Stamford University. Benefits of working here: Problem solving skill especially unexpected problem such as sound problem or MC miscommunication problem. Try to have small mistakes or have none and able to work under a time scope.

Woody World Co. Ltd

Event Staff

เมษายน 2016 - เมษายน 2016 (1 เดือน)

Bangkok Metropolitan Area, Thailand

Volunteering and part-time job opportunity with Woody World Company for “S2O Music Festival” at RCA Rama 9 near show DC

The really big and great opportunity to work with Woody, a celebrity and talk show. Registering by sending documents to Woody World Company’s staffs and being judged by the team and Mr. Woody through face to face interview with cameras recording the actions. I got hired as a S2O staff. My parts were first, to check the list of customers who registered for VIP wristband or VIP customers and give the wristband to them at registering booth. Second, to stand by at information booth to give necessary information to customers who participated the festival mostly international customers.

Benefits of working here: since it was a very big festival, I have learned how to deal with hot temper customers and how to manage the time and work under pressure and limited resources.

Cartoon Club

A Member of Event Organizer Team - School visit

เมษายน 2014 - กรกฎาคม 2014 (4 เดือน)

Bangkok Metropolitan Area, Thailand

Part-time work with organizer team from Cartoon Club Channel

“School visit project”

- Setting up booth, wearing mascot until being MC assistance to communicate with students.
- Our team visited school every Wednesday (my university schedule was flexible that time) from schools located inside Bangkok to school located in Bangkok’s perimeter area.

The benefits of working there such as able to work as a team with big group of people and practicing problem solving skills.
